Re: Chemical Recovery Systems (CRS) Site Elyria, OH Bison

Dear Mr. Nash:

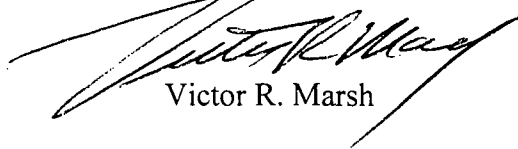

Our firm was legal counsel for Bison Corporation and thereafter Special Counsel to the Receiver for Bison Corporation, James R. Kandel, in Case No. 2003-CV-02757, Court of Common Pleas Stark County, Ohio.

Bison Corporation was dissolved effective September 3, 2003 (a copy of the Certificate of Dissolution is enclosed). The Receiver administered assets of Bison Corporation during the receivership. There are no remaining assets of Bison Corporation. A copy of Bison Corporation's final tax return, filed for the year 2005 is enclosed. Please note James R. Kandel's address has changed to 101 Central Plaza South, Chase Tower, Suite 1003, Canton, Ohio 44702.

For your information, all prior officers and directors of the Corporation are deceased. The three shareholders of Bison Corporation inherited their shares and were never officers or directors of the Corporation.

If you need further information regarding this potentially responsible party for the above-referenced site, please correspond with the undersigned.

Sincerely,

Victor R. Marsh
